\*Larger Lid Optional (Price differentiation based on increased lid cost.)

All weights, dimensions, and gallonage markers are approximate.

### Guido Tanks:

Guido green opaque tanks are FDA approved High Density Linear Polyethylene (ANSI/NSF Standard 61).

Guido tanks come with a standard 1-1/2" spin weld fill (#02017) and 2" P.P. (#93200) discharge fitting.

Guido tanks are compliant with local, state and national standards for Fire Protection.

Optional 4" fire adapter, anti-vortex assemblies, and 3" water tank vents are available.

*Hard-plumbing of RMI tanks is not recommended due to the expansive/contractive characteristics of Polyethylene.*

*Review the chemical resistance guide and warranty instruction information prior to purchasing RMI products.*

*All weights, dimensions, and gallonage markers are approximate.*
